

PART 1 — CONSENT IS A VERB

30 mins

CONSENT, CARE & TRUST

2 Scenarios for discussion

PERSON CENTRED CARE
30 mins

What does authority look like in the health care context?
How do we get to the discussion of authority of individuals in healthcare?
Who is consenting? What is the experience of the individual?

PATIENTS ARE THE AUTHORITY OF THEIR OWN EXPERIENCE

30 mins

PART 2 — AUTHORITY

PART 3 — CONVERSATIONS
How to have conversations around consent?
What are we legally bound to do if consent is breached?
What is done in instances where consent is impossible to get?

Talking about how we have conversations - Strategies

PART 4 — WRAP UP 30 mins

- ① What will you include in your practice
- ② What are you going to talk about after this
